- b) Also, to be included on both qualification lists – do we have to submit a package for each pin #?

Yes

**Question 2:**

The due dates for both pins shown on the DDC web-site is: **12-3-2020 at 4 pm.**

**Does this mean that there is no immediate deadline for this information and Contractors can submit their information anytime for the next 5 years?**

There is no deadline to apply for pre-qualification, and the applications for these PQLs are open and continuously available as long as DDC will be using these PQLs. However, please note that only those contractors included on the PQLs as of the bid solicitation date will be permitted to bid on projects that will be bid to these PQLs. As such, contractors should apply for pre-qualification as soon as possible.
