FAQ No. 1

Please be advised that the paragraph below applies to the Façade Rehabilitation PQL:

“The contractors selected for inclusion in the PQL for Façade Rehabilitation will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contractors by making them more competitive in their pursuit of NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.”
